

## Convenience and quality all in one!

**1Minute Café is a one-stop convenience store that offers travelers a perfect combination of quick, easy and value-for-money products and services**

The food is prepared in each store from fresh ingredients, and drinks include warm, ready-to-eat products that customers can quickly purchase and easily consume.

In a warm and friendly atmosphere, 1Minute Café is a traditional convenience store specifically developed and designed for travel environments, with a strong emphasis on food.
